UNITED STATES DEPARTMENT OF AGRICULTURE  
OFFICE OF THE SECRETARY  
Washington, D. C.

Amendment No. 4 to Service and Regulatory Announcement No. 122 (B.A.E.)

Amendment to the Regulations of the Secretary of Agriculture for Warehousemen Storing Seed, under the United States Warehouse Act as amended.

By virtue of the authority vested in the Secretary of Agriculture by the United States Warehouse Act, approved August 11, 1916 (39 Stat. L., p. 486), as amended, I, H. A. Wallace, Secretary of Agriculture, do make, prescribe, publish, and give public notice of the following amendment of the regulations of the Secretary of Agriculture for warehousemen storing seed promulgated November 21, 1930, under said Act, said amendment to become effective immediately:

Amend Regulation 4, Sec. 1, Paragraph 2, to read as follows:

"Every receipt, whether negotiable or nonnegotiable, issued for seeds stored in a licensed warehouse shall specify a period not exceeding one year, for which the seeds are accepted for storage under the Act and these regulations. Upon demand and the surrender of the old receipt by the lawful holder thereof at or before the expiration of the specified period, the warehouseman, so far as the available capacity of his warehouse then permits and upon such lawful terms and conditions as may be granted by him at such time to other depositors of seeds in the warehouse shall, if he then continue to act as a licensed warehouseman, issue a new receipt for a further specified period not exceeding one year, provided the condition and quality of the seeds is first determined by a licensed inspector. Further extension of the storage period may not be granted by the warehouseman for any seeds except blue grass seed, and such further extension may be granted only after the previously issued receipts have been surrendered to the warehouseman and the blue grass seed has been reinspected by a licensed inspector and found to be in good condition for further storage. After such reinspection, a receipt reciting the condition and grade of the blue grass seed as found at such reinspection, may be issued for an additional period of one year."

In testimony whereof I have hereunto set my hand and caused the official seal of the Department of Agriculture to be affixed in the City of Washington, this 25th day of July, 1933.

*H. A. Wallace*  
Secretary of Agriculture.
